

# Find *a* Kid Program

Welcome  
to Virginia  
Beach!

*Have you  
noticed  
children  
wearing  
wristbands  
in our  
resort?*

To ensure the safety and security of the little ones in your vacation party, many Virginia Beach hotels and motels participate in the "Find-A-Kid" Wristband Program. By way of an identification wristband, distributed at hotel front desks to children 10 and under, this free and voluntary program helps locate wandering children and gets them back to their parents as quickly as possible. Ask your hotel if they participate in this security program!
